

Archives of Pediatrics

A Monthly Journal Devoted to the
Diseases of Infants and Children

EDITED BY

JOHN FITCH LANDON, A.B., B.S., M.D.

Attending Pediatricist, Roosevelt Hospital and St. Luke's Hospital;
Fellow New York Academy of Medicine, New York City.

VOLUME LXXIII
JANUARY TO DECEMBER
1956

E. B. TREAT & CO., INC., Publishers
45 East Seventeenth Street
NEW YORK

LIST OF CONTRIBUTORS

ADAMS, SAMUEL S.

BENDA, CLEMENS E.
BENSON, RUEL A.
BERG, HENRY W.
BLOCH, HARRY
BROWN, EDWARD E.

CHAPMAN, A. H.
CHAYKIN, LEONARD
CHAZAN, SOLOMON
CLARK, F. H.
CLYDE, WALLACE A.
COHEN, ROBERT
COTTON, A. C.

DUKES, RICHARD E.
DURLING, DOROTHY

ESEN, FATMA MUNIRE

GAYLORD, HARVEY R.
GIBBONS, MARY J.
GOLDSTEIN, HYMAN

HAYNES, ROYAL STORRS
HERRMAN, CHARLES
HESE, J. H.
HOLADAY, WILLIAM J.
HUBER, FRANCIS

JACOBI, A.

KAHAN, HERBERT
KOPLIK, HENRY

LADD, MAYNARD
LATHEROP, DONALD B.
LAWRENCE, CARL A.
LIPMAN, BERNARD L.
LITCHFIELD, HARRY R.
LOER, DOROTHY G.

MAUTNER, HANS
MEARA, FRANK S.
MEYER, HANS
MICHAEL, MAY

MCLEAN, C. C.

REICHES, A. J.
ROTCH, THOMAS MORGAN
RUSS, FRANK H.

SANTORO, EDGAR V.
SAWICKY, H. H.
SCHWARTZ, PH.
SCHWARTZMAN, JOSEPH
SHERMAN, DE WITT H.
STADLER, HAROLD E.

WAGNER, HAROLD H.
WELT-KAKELA, SARA
WOLLSTEIN, MARTHA

INDEX TO VOLUME LXXIII

Acetazolamide (Diamox), further evaluation of, in treatment of epilepsy	303
Acromicria, congenital, syndrome. Goldstein.....	115
Adams, Samuel S. Grip meningitis.....	220
Adenotonsillectomy in the allergic child.....	467
Adhesions, labial, treatment of, in children.....	469
Agranulocytosis, infantile genetic. A new recessive lethal disease in man	308
Allergic child, adenotonsillectomy of.....	467
Allergic toxemia in infancy. Lipman.....	6
Anemia, hemolytic, in patient receiving nitrofurantoin.....	470
Anemia, iron deficiency, treatment of.....	277
Anesthesia, influence of, on infant mortality rate in cesarean sections...	186
Anesthesia, routine endotracheal, advantage of, for tonsillectomy in children	309
Antileptospiral effect of milk.....	124
Arteries, calcification of, and endocardial fibroelastosis in infants associated with thrombosis, and myocardial infarcts.....	468
Aseptic meningitis: isolation of Coxsackie and unidentified cytopathogenic viruses from cerebrospinal fluid by tissue culture methods	215
Asthma in children	112
Bacteriological counts on infant formulas. Lathrop.....	451
BCG scarification, tuberculosis in persons vaccinated by.....	407
BCG, first statistics on systematic prevention with, in France.....	249
Benda, Clemens E. Mongolism. A comprehensive review.....	391
Benson, Reuel A.; Lawrence, Carl A. and Chavkin, Leonard. Commercially and home-laundered diapers. A comparative evaluation of their role in the cause and prevention of diaper dermatoses.....	250
Berg, Henry W. Chorea minor. Clinical and therapeutic data.....	421
Birth injuries of the newborn. Schwartz.....	429
Bloch, Harry and Chazan, Solomon. Primary carcinoma of the liver with cirrhosis. Report of case.....	89
Book reviews.....38, 76, 113, 189, 267, 310, 349, and	471
Breast feeding disorders management of.....	307
Brown, Edward E. Infectious origin of juvenile diabetes.....	191
Brown, Edward E. Torticollis resulting from upper respiratory infections, particularly sinusitis.....	382
Brucellosis and heart disease. I. The shaky foundations of "rheumatic" heart disease	390
Calcification, cervical disk, in childhood.....	346
Calcification of arteries and myocardial infarcts and endocardial fibroelastosis in infants associated with thrombosis.....	468
Cancer of the thyroid and irradiation.....	348
Cancer of the thyroid, association of irradiation with, in children and adolescents	74
Carcinoma, primary, of the liver with cirrhosis. Report of case. Bloch and Chazan	89

Cardiospasm in children.....	46
Carditis, active rheumatic, natural course of, and evaluation of hormone therapy	306
Caries, dental, and dietary research, recent progress in.....	188
Caries, dental, as a cause of disease in children. Preventive measures—dental clinics. Herrman	20
Celiac disease: effect of administration of gluten, starch and fat on children with, clinical and experimental investigations. Preliminary report	198
Celiac disease, some observations on.....	93
Cerebral palsy, use of zoxazolamine (Flexin) in children with.....	302
Cerebrospinal meningitis. Huber	288
Cervical disk calcification in childhood.....	346
Cesarean sections, influence of anesthesia on infant mortality rate in... ..	186
Chapman, A. H.; Loeb, Dorothy G. and Gibbons, Mary Jane. Psychiatric aspects of hospitalizing children.....	77
Chavkin, Leonard; Benson, Reuel A. and Lawrence, Carl A. Commercially and home-laundered diapers. A comparative evaluation of their role in the cause and prevention of diaper dermatoses.....	250
Chazan, Solomon and Bloch, Harry. Primary carcinoma of the liver with cirrhosis. Report of case.....	89
Chickenpox and thrombocytopenic purpura.....	279
Chorea minor. Clinical and therapeutic data. Berg.....	421
Cirrhosis, primary carcinoma of the liver with. Report of case. Bloch and Chazan.	89
Clark, F. H. Rumination. A case report.....	12
Clinical investigations on attenuated strains of poliomyelitis virus. Use as a method of immunization of children with living virus.....	306
Clinics, dental, and preventive measures. Dental caries as a cause of disease in children. Herrman.....	20
Clyde, Wallace A. Reaction to poliomyelitis vaccine. Case report.....	278
Coccidioides, status of streptomycin for. Cohen.....	408
Coeliac disease, late prognosis in.....	303
Cohen, Robert. The status of streptomycin for coccidioides.....	408
Commercially and home-laundered diapers. A comparative evaluation of their role in the cause and prevention of diaper dermatoses. Benson; Lawrence and Chavkin.	250
Congenital acromicria syndrome. Goldstein.....	115
Congenital endocardial fibroelastosis and total heart block. Report of case. Santoro.	94
Congenital stenosis of the duodenum. Report of two cases. Russ and Dukes.	313
Congenital tuberculosis. Wollstein.....	338
Convulsions, febrile, and exanthema subitum.....	346
Cortisone, report of a case of meningoencephalitis in infectious mononucleosis treated with.....	467
Cotton, A. C. The effects of tight diapers.....	181
Dental caries as a cause of disease in children. Preventive measures—dental clinics. Herrman.....	20
Dental caries, effect of fluoridated public water supplies on prevalence	389

Dermatitis, infantile seborrheic, presence of adult contacts in. Reiches.	9
Dermatitis, napkin, (diaper rash), prevention and management of, a new topical remedy for. Kahan; Schwartzman and Sawicky.....	125
Dermatoses, diaper, the cause and prevention of, commercially and home-laundered diapers, a comparative evaluation of their role in..	250
Developmental mechanics of heart malformations. Mautner.....	47
Diabetes, juvenile, infectious origin of. Brown.....	191
Diagnostic significance of plasma protein changes in acute rheumatic fever	304
Diarrhea, epidemic, prevention of, in the newborn.....	233
Dietary research and dental caries, recent progress in.....	188
Drug therapy in cerebral palsy. Mautner.....	351
Dukes, Richard E. and Russ, Frank H. Congenital stenosis of the duodenum. Report of two cases.....	313
Duodenum, congenital stenosis of. Report of two cases. Russ and Dukes.	313
Durling, Dorothy and Esen, Fatma Munire. Thorazine in the treatment of mentally retarded children.....	168
Dysfunction, familial autonomic. Riley-Day syndrome. Litchfield and Wagner.	1
Dysplasia, progressive diaphyseal (Engelmann's disease).....	388
Edrophonium chloride (tensilon) and pyridostigmine bromide (mestinon), advantages of, in the treatment of transitory myasthenia gravis in the neonatal period.....	152
Effect of fluoridated public water supplies on dental caries prevalence..	389
Electrocardiographic findings in the newborn, studies on.....	187
Electroencephalogram in retrolental fibroplasia.....	185
Encephalitis, postvaccinal, investigations on the predisposition to and prognosis of	350
Encephalopathies in exceptional children. Goldstein.....	199
Endocardial fibroelastosis in infants associated with thrombosis and calcification of arteries and myocardial infarcts.....	468
Enterobiasis, efficacy of promethazine and pyrazinazine against.....	468
Enuresis, psychiatric interview studies.....	348
Epilepsy, treatment of, further evaluation of acetazolamide (Diamox) in	303
Epiphora in infants.....	301
Epithelioma, basocellular, and premalignant fibroepithelial tumors of Pinkus; based on two new cases.....	381
Erythema nodosum. A definition and illustration. Meara.....	174
Erythematosis, systemic lupus, in childhood. A clinical study.....	309
Esen, Fatma Munire and Durling, Dorothy. Thorazine in the treatment of mentally retarded children.....	168
Exanthema subitum and febrile convulsions.....	346
Familial autonomic dysfunction. Riley-Day syndrome. Litchfield and Wagner.	1
Familial congenital methemoglobinemia: clinical and therapeutic findings	5
Fat, gluten and starch, effect of administration of, on children with celiac disease: clinical and experimental investigations. Preliminary report	198

Fever, acute rheumatic, the diagnostic significance of plasma protein changes in	304
Fibrocystic disease of the pancreas after childhood. Case report with necropsy at 17 years.....	265
Fibrocystic disease of the pancreas, a generalized disease of exocrine glands	266
Fibroelastosis, congenital endocardial, and total heart block. Report of case. Santoro.....	94
Fibroelastosis, endocardial, in infants associated with thrombosis and calcification of arteries and myocardial infarcts.....	468
Fibroplasia, retrolental, electroencephalogram in.....	185
Fibroplasia, retrolental, incidence in England and Wales in 1951.....	460
Formulas, infant, bacteriological counts on. Lathrop.....	451
Gastrointestinal tract in children, use of soluble nonabsorbable opaque media in the examination of.....	347
Gaylord, Harvey R. and Sherman, De Witt H. Study of a case of Hodgkin's Disease	411
Gibbons, Mary Jane; Chapman, A. H. and Loeb, Dorothy G. Psychiatric aspects of hospitalizing children.....	77
Glands, exocrine, a generalized disease of, fibrocystic disease of the pancreas	266
Glomerulonephritis, experimental anaphylactic, pathology and pathogenesis of, in relation to human acute glomerulonephritis.....	188
Glossopharyngeal breathing as an aid to recovery from paralytic poliomyelitis	308
Gluten, effect of administration of, starch and fat on children with celiac disease: clinical and experimental investigations. Preliminary report	198
Goldstein, Hyman. Congenital acromicria syndrome.....	115
Goldstein, Hyman. Encephalopathies in exceptional children.....	199
Goldstein, Hyman. Physical therapy and rehabilitation for mentally afflicted children	321
Goldstein, Hyman. Sicca-cell therapy in children.....	234
Goldstein, Hyman. Treatment of congenital acromicria syndrome in children	153
Grip meningitis. Adams.....	220
Haynes. Royal Storrs. Causative factors of the paralyses of early life	65
Heart block, total, and congenital endocardial fibroelastosis. Report of case. Santoro.	94
Heart disease and brucellosis. I. The shaky foundations of "rheumatic" heart disease	390
Heart malformations, the developmental mechanics of. Mautner.....	47
Hemoglobins: Nomenclature and abnormal hemoglobins and their relationship to hemolytic disease. Review of literature. Holaday	39
Hemolytic anemia in patient receiving nitrofurantoin.....	470
Hemolytic disease, nomenclature and abnormal hemoglobins and their relationship to. Holaday	39
Hermaphroditism: recommendations concerning assignment of sex, change of sex and psychologic management.....	72

Herrman, Charles. Dental caries as a cause of disease in children.	20
Preventive measures—dental clinics.....	20
Hess, J. H. Intussusception in infancy and childhood. A collection of 1,028 cases with statistics.....	130
Hodgkin's disease, study of a case of. Sherman and Gaylord.....	411
Holaday, William J. Hemoglobins: nomenclature and abnormal hemoglobins and their relationship to hemolytic disease. Review of literature	39
Home and commercially-laundered diapers. A comparative evaluation of their role in the cause and prevention of diaper dermatoses. Benson; Lawrence and Chavkin.	250
Huber, Francis. Cerebrospinal meningitis.....	288
Huber, Francis. Meningococcus hydrocephalus.....	259
Hydrocephalus, meningococcus. Huber.....	259
Hypoglycemia, significance of, in the newborn infant of the diabetic woman	388
Hypothyroidism, certain aspects of, in childhood.....	305
Immunization, use as a method of, in children with living virus.	
Clinical investigation on attenuated strains of poliomyelitis virus..	306
Incidence of incomplete descent of the testicle at birth.....	389
Incidence of retrolental fibroplasia in England and Wales in 1951....	460
Infarcts, myocardial, and endocardial fibroelastosis in infants associated with thrombosis and calcification of arteries	468
Infantile genetic agranulocytosis. A new recessive lethal disease in man	308
Infantile hypertrophic pyloric stenosis in parent and child.....	129
Infantile seborrheic dermatitis, presence of adult contacts in. Reiche..	9
Infection, intrauterine, subclinical poliomyelitis in a newborn infant due to	302
Infections, upper respiratory, torticollis resulting from, particularly sinusitis. Brown.	382
Infections, recurring acute respiratory, in children.....	390
Infection, typhoid, conveyed by a convalescent infant. Southworth.....	461
Infectious origin of juvenile diabetes. Brown.....	191
Injuries, birth, of the newborn. Schwartz.....	429
Intussusception in infancy and childhood. A collection of 1,028 cases with statistics. Hess.....	130
Investigations on the predisposition to and prognosis of postvaccinal encephalitis	350
Irradiation and cancer of the thyroid.....	348
Irradiation, association of, with cancer of the thyroid in children and adolescents	74
Jacobi, A. Sepsis in a newly-born infant. Report of a case.....	179
Kahan, Herbert; Schwartzman, Joseph and Sawicky, H. H. A new topical remedy for the prevention and management of napkin dermatitis. (diaper rash).....	125
Kernicterus of the newborn: acute forms and sequelae.....	345
Koplik, Henry. Congenital laryngeal stridor. Pathology with report of an autopsy	105

Labial adhesions, treatment of, in children.....	469
Ladd, Maynard and Rotch, Thomas M. Pyloric stenosis in infants. Report of two operative cases.....	99
Laryngeal stridor, congenital. Pathology with report of autopsy. Koplik	105
Lathrop, Donald B. Bacteriological counts on infant formulas.....	451
Lawrence, Carl A.; Chavkin, Leonard and Benson, Reuel A. Com- mercially and home-laundered diapers. A comparative evaluation of their role in the cause and prevention of diaper dermatoses.....	250
Leukemia in childhood. Current therapeutic considerations.....	390
Leukemia, therapy in, current status of.....	305
Lipman, Bernard L. Allergic toxemia in infancy.....	6
Litchfield, Harry R. and Wagner, Harold H. Familial autonomic dysfunction. Riley-Day syndrome.....	1
Litchfield, Harry R. The use of meclizine dihydrochloride with pyri- doxine in vomiting and pylorospasm in infants and children.....	229
Liver, influence of, on bone metabolism. Report of two cases.....	74
Liver, primary carcinoma of the, with cirrhosis. Report of case. Bloch and Chazan.	89
Liver, rupture of the, in a newborn infant with recovery.....	64
Loeb, Dorothy G.; Gibbons, Mary Jane and Chapman, A. H. Psy- chiatric aspects of hospitalizing children.....	77
Malformations, heart, developmental mechanics of. Mautner.....	47
Malignancies, occurrence of, in children.....	75
Management of breast feeding disorders.....	307
Mautner, Hans. Developmental mechanics of heart malformations.....	47
Mautner, Hans. Drug therapy in cerebral palsy.....	351
McLean, C. C. Penicillin in fluid milk.....	276
Meara, Frank S. Erythema nodosum. A definition and illustration....	174
Meclizine dihydrochloride, use of, with pyridoxine in vomiting and pylorospasm in infants and children. Litchfield.....	229
Meningitis, aseptic: isolation of Coxsackie and unidentified cyto- pathogenic viruses from cerebrospinal fluid by tissue culture methods	215
Meningitis, cerebrospinal. Huber.....	288
Meningitis, grip. Adams.....	220
Meningococcus hydrocephalus. Huber.....	259
Meningoencephalitis in infectious mononucleosis, report of a case treated with cortisone	467
Mental deficiency, rubella as a cause of.....	173
Mental health and paternalism.....	469
Mentally retarded children, thorazine in the treatment of. Esen and Durling.	168
Metabolism, bone, influence of the liver on; report of two cases.....	74
Methemoglobinemia, familial congenital; clinical and therapeutic findings	5
Meyer, Hans. Problems relative to the acceptance and reacceptance of the institutionalized child.....	271
Michael, May. Rubella, report of an epidemic of eighty cases.....	280
Milk, antileptospiral effect of.....	124
Milk, fluid, penicillin in. McLean.....	276

Mongolism. A comprehensive review. Benda.....	391
Mononucleosis, infectious, meningoencephalitis in, report of case treated with cortisone	467
Myasthenia gravis, transitory, in the neonatal period, advantages of pyridostigmine bromide (mestinon) and edrophonium chloride (tensilon) in the treatment of.....	129
Myocarditis in acute poliomyelitis.....	73
Napkin dermatitis (diaper rash), a new topical remedy for the prevention and management of. Kahan; Schwartzman and Sawicky..	125
Neurotoxicity, piperazine (antepar).....	265
Newborn, studies on the electrocardiographic findings in.....	187
Nitrofurantoin, hemolytic anemia in patient receiving.....	470
Obstruction of the vesical neck in children.....	186
Oculoglandular syndrome, Parinaud's.....	467
Ophthalmia neonatorum	8
Palsy, cerebral, drug therapy in. Mautner.....	351
Pancreas, fibrocystic disease of the, after childhood. Case report with necropsy at 17 years.....	265
Pancreas, fibrocystic disease of the, a generalized disease of exocrine glands	266
Paralyses, causative factors of, of early life. Haynes.....	65
Parinaud's oculoglandular syndrome.....	467
Paternalism and mental health.....	469
Pathogenesis and pathology of experimental anaphylactic glomerulonephritis in relation to human acute glomerulonephritis.....	188
Pathology and pathogenesis of experimental anaphylactic glomerulonephritis in relation to human acute glomerulonephritis.....	188
Pathology with report of autopsy; congenital laryngeal stridor. Koplik	105
Penicillin in fluid milk. McLean.....	276
Pinkus, premalignant fibroepithelial tumors of, and basocellular epithelioma: based on two new cases.....	381
Piperazine (antepar) neurotoxicity.....	265
Poisoning, fatal, in children.....	37
Poisoning, accidental oral factors in.....	73
Poliomyelitis, acute, myocarditis in.....	73
Poliomyelitis, contacts, serologic studies.....	337
Poliomyelitis, paralytic, glossopharyngeal breathing as an aid to recovery from	308
Poliomyelitis, smallpox vaccination with subsequent occurrence of.....	71
Poliomyelitis, subclinical, in a newborn infant due to intrauterine infection	302
Poliomyelitis vaccination, evaluation of, in Massachusetts.....	187
Poliomyelitis vaccination in Southeast Massachusetts in 1955.....	388
Poliomyelitis vaccine, interim report of Public Health Service Technical Committee	73
Poliomyelitis vaccine in the Fall of 1955.....	152
Poliomyelitis, virus, clinical investigations on attenuated strains of. Use as a method of immunization of children with living virus.....	306

Premalignant fibroepithelial tumors of Pinkus and basocellular epithelioma: based on two new cases.....	381
Prevention of epidemic diarrhea of the newborn.....	233
Problems relative to the acceptance and reacceptance of the institutionalized child. Meyer.....	271
Prognosis, late, in coeliac disease.....	303
Promethazine and pyrazithazine, efficacy of, against enterobiasis.....	468
Psychiatric aspects of hospitalizing children. Chapman, Loeb and Gibbons.....	77
Pulmonary infiltration with eosinophilia during isoniazid treatment....	450
Purpura, acute vascular (Schönlein-Henoch)—an immunologic disease?	185
Purpura, thrombocytopenic, and chickenpox.....	279
Pyloric stenosis in infants. Report of two operative cases. Rotch and Ladd.....	99
Pyloric stenosis, infantile hypertrophic, in parent and child.....	129
Pylorospasm, the use of meclizine dihydrochloride with pyridoxine in, and vomiting in infants and children. Litchfield.....	229
Pyrazithazine and promethazine, efficacy of, against enterobiasis.....	468
Pyrexia, a perplexing problem marked by, of six years duration: Still's disease. Stadler.....	216
Pyridostigmine, bromide, (mestinon), and edrophonium chloride (tensilon), advantage of, in the treatment of transitory myasthenia gravis in the neonatal period.....	152
Rehabilitation and physical therapy for mentally afflicted children. Goldstein.....	321
Reiches, A. J. Presence of adult contacts in infantile seborrheic dermatitis.....	9
Rotch, Thomas M. and Ladd, Maynard. Pyloric stenosis in infants. Report of two operative cases.....	99
Rubella as a cause of mental deficiency.....	173
Rubella, report of an epidemic of eighty cases. Michael.....	280
Rumination. A case report. Clark.....	12
Rupture of the liver in a newborn infant with recovery.....	64
Russ, Frank H. and Dukes, Richard E. Congenital stenosis of the duodenum. Report of two cases.....	313
Santoro, Edgar V. Congenital endocardial fibroelastosis and total heart block. Report of case.....	94
Sawicky, H. H.; Kahan, Herbert and Schwartzman, Joseph. A new topical remedy for the prevention and management of napkin dermatitis. (diaper rash).....	125
Schwartz, Ph. Birth injuries of the newborn.....	429
Schwartzman, Joseph; Sawicky, H. H. and Kahan, Herbert. A new topical remedy for the prevention and management of napkin dermatitis. (diaper rash).....	125
Sepsis in a newly-born infant. Report of case. Jacobi.....	179
Sherman, De Witt H. and Gaylord, Harvey R. Study of a case of Hodgkin's disease.....	411

Sicca-cell therapy in children. Goldstein.....	234
Sinusitis, torticollis resulting from upper respiratory infections. Brown	382
Smallpox in children.....	347
Smallpox vaccination with subsequent occurrence of poliomyelitis.....	71
Southworth, Thomas S. Typhoid infection conveyed by a convalescent infant	461
Stadler, Harold E. Still's disease: a perplexing problem marked by pyrexia of six years duration.....	216
Starch, gluten and fat, effect of administration of, on children with celiac disease: clinical and experimental investigation. Preliminary report	198
Status of streptomycin for coccidioides. Cohen.....	408
Stenosis, congenital, of the duodenum. Report of two cases. Russ and Dukes	313
Stenosis, pyloric, in infants. Report of two operative cases. Rotch and Ladd	99
Still's disease: a perplexing problem marked by pyrexia of six years duration. Stadler	216
Stimulants, indication for, in pediatric practice. Welt-Kakels.....	29
Streptomycin, the status of, for coccidioides. Cohen.....	408
Stridor, congenital laryngeal. Pathology with report of autopsy. Koplik	105
Study of a case of Hodgkin's disease. Sherman and Gaylord.....	411
Suppositories, aminophylline and theophylline, severe toxic effects from, in children	347
Surgical experiences from 1,222 operations for undescended testis.....	304
Syndrome, congenital acromicria. Goldstein.....	115
Syndrome, congenital acromicria, treatment of, in children. Goldstein..	153
Syndrome, Riley-Day. Familial autonomic dysfunction. Litchfield and Wagner	1
Systolic murmurs, innocent, in childhood.....	410
Tay-Sachs disease in two Sinhalese children.....	151
Testicle, incomplete descent of, incidence of, at birth.....	389
Testis, undescended, surgical experiences from 1,222 operations for....	304
Therapy, drug, in cerebral palsy. Mautner	351
Therapy, hormone, evaluation of, and natural course of active rheumatic carditis	306
Therapy, physical, and rehabilitation for mentally afflicted children. Goldstein	321
Therapy, sicca-cell, in children. Goldstein.....	234
Thorazine in the treatment of mentally retarded children. Eşen and Durling	168
Thrombocytopenic purpura and chickenpox.....	279
Thrombosis, endocardial fibroelastosis in infants associated with, and calcification of arteries and myocardial infarcts.....	468
Thyroid, cancer of, and irradiation.....	348
Thyroid, cancer of the, association of irradiation with, in children and adolescents	74
Tonsillectomy, advantage of routine endotracheal anesthesia for, in children	309

Torticollis resulting from upper respiratory infections, particularly sinusitis. Brown.	382
Toxemia, allergic, in infancy. Lipman.	6
Toxoplasmosis, congenital, cat as a possible source of infection in a case of	346
Treatment, epilepsy, further evaluation of acetazolamide (Diamox) in..	303
Treatment of congenital acromicria syndrome in children. Goldstein...	153
Treatment of iron deficiency anemia.....	277
Treatment of labial adhesions in children.....	469
Treatment, thorazine in the, of mentally retarded children. Esen and Durling	168
Tuberculosis, congenital. Wollstein.....	338
Tuberculosis in persons vaccinated by BCG scarification.....	407
Tuberculosis, should primary, in children continue to be neglected....	301
Tumors, premalignant fibroepithelial, of Pinkus, and basocellular epithelioma: based on two new cases.....	381
Typhoid infection conveyed by a convalescent infant. Southworth.....	461
Use of zoxazolamine (Flexin) in children with cerebral palsy.....	302
Vaccination against whooping-cough and relation between protection in children and results of laboratory tests.....	470
Vaccination, poliomyelitis, evaluation of, in Massachusetts.....	187
Vaccination, poliomyelitis, in Southeast Massachusetts in 1955.....	388
Vaccination, smallpox, with subsequent occurrence of poliomyelitis....	71
Vaccine, poliomyelitis, interim report of Public Health Service Technical Committee	73
Vaccine, poliomyelitis, in the Fall of 1955.....	152
Vaccine, poliomyelitis, reaction to. Case report. Clyde.....	278
Vesical neck, obstruction of the, in children.....	186
Virus, living, use as a method of immunization of children with. Clinical investigation on attenuated strains of poliomyelitis virus ..	306
Viruses, isolation of Coxsackie and unidentified cytopathogenic, from cerebrospinal fluid by tissue culture methods: aseptic meningitis...	215
Vomiting, the use of meclizine dihydrochloride with pyridoxine in, and pylorospasm in infants and children. Litchfield.....	229
Wagner, Harold H. and Litchfield, Harry R. Familial autonomic dysfunction. Riley-Day syndrome.....	1
Welt-Kakels, Sara. Indication for stimulants in pediatric practice.....	29
Whooping-cough, vaccination against, relation between protection in children and results of laboratory tests.....	470
Wollstein, Martha. Congenital tuberculosis.....	338
